

*Provoking Curriculum as Inspired Topographies*

Darlene St. Georges (2013). *Root*. 30" x 30". Oil on canvas.

## Root

As I enter the flow through sacred openings,  
silhouettes of lucid dreams unfold before my eyes.  
Noble light and moving shadows awaken memories  
of enchanting solitude, spaces where I am being;  
with            within            without.  
Transfixed and motionless, without restraint,  
I take refuge in the currents of my heart;  
shifting plots filled with fragrance and sacrifice.
